## Invitation letter for contributing a submission to LSA

Dear Dr. Liu,

Congratulations on your outstanding performance in 2021 Light Doctoral Academic League. It is our great pleasure to invite you to submit a Review in your research field to ***Light: Science & Applications (LSA)***.

- Benefit: There is no APC (article processing charge) for invited paper. LSA will cover it.
- Process: It will go through formal peer-review process. We will make final decision based on reviewers' comments.
- The manuscript submission deadline is July 1, 2023.
- More details please find the 'GUIDE FOR AUTHOR' via the following link <https://www.nature.com/documents/lsa-gta.pdf>

**LSA** is a leading optics journal, co-published by Changchun Institute of Optics, Fine Mechanics and Physics, Chinese Academy of Sciences and Springer Nature. This open-access journal publishes article types from Original articles, , Reviews, Perspectives and Historical Reviews to News & Views that are of high quality, high interest and far-reaching consequence. LSA is indexed and abstracted in leading databases, including SCI, DOAJ, Ei, Scopus, Google Scholar, PubMed, Chinese Science Citation Database, Chinese Scientific & Technical Papers and Citations Database and VINITI. Its latest impact factor is 17.782, ranking Top 3 among the World's optics journals for the past seven years (JCR 2014-2020).

In 2020, **LSA** launched two sister journals: ***eLight*** and ***Light: Advanced Manufacturing (LAM)***. ***eLight*** aims to publish the finest works in emerging optical topics and ***LAM*** focuses on innovative research on light-based manufacturing.

With this great opportunity to cooperate with you, we would be pleased and honored if you could accept our invitation. Please do not hesitate to contact us if there is anything we can help with.

Sincerely,

Jianlin Cao, Ph.D.  
Professor in Optics  
Editor-in-Chief, ***Light: Science & Applications***
